\$2.00 per piece

Trade price from \$1.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Angled Stainless Steel Eyelash Extension Tweezers is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grip and place fine material precisely in lash, brow and nail work. The name tells you what you are getting: an angled shank that keeps the hand clear of the sightline.

We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$2.00, falling to \$1.00 at 10 pieces — about 50% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.
