ABOUT THIS INSTRUMENT

This is our pattern of Stainless Steel Straight Sandpaper Nail File Double Sided, made for salon, podiatry, brow, lash and nail work. The name tells you what you are getting: a straight working end for direct, in-line access.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$5.00, falling to \$2.00 at 25 pieces — about 60% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.
