WI-27316677

128Hz Aluminum Made Medical Tuning Fork

\$15.00 per piece Trade price from **\$8.00**
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of 128Hz Aluminum Made Medical Tuning Fork, made for ear, nose and throat procedures. The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish.

We state the grade we used on your quotation. Listed at \$15.00, falling to \$8.00 at 1 piece — about 47% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

WI-34183886

128Hz Stainless Steel ENT Tuning Fork Medical

\$3.00 per piece Trade price from **\$2.00**
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

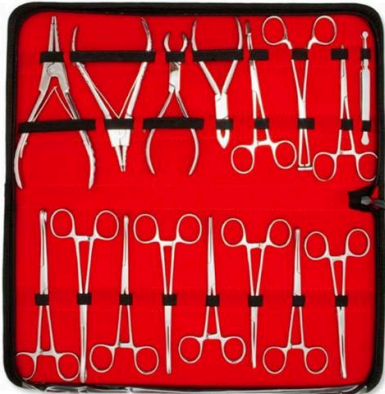

ABOUT THIS INSTRUMENT

128Hz Stainless Steel ENT Tuning Fork Medical is an ent instrument we forge, grind and finish in our own Sialkot workshop. Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample.

Listed at \$3.00, falling to \$2.00 at 25 pieces — about 33% off the single-unit price. Larger quantities are priced on request.

Samples go out on request so you can check the steel and the finish before you place a real order.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

WI-25657127

16-Piece Stainless Steel Septum Forceps Clamp Body Piercing

\$100.00 per piece

Trade price from \$80.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

16-Piece Stainless Steel Septum Forceps Clamp Body Piercing is a clamp we forge, grind and finish in our own Sialkot workshop. Instruments of this type occlude a vessel or duct, or hold tissue and drapes securely in place.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$100.00, falling to \$80.00 at 10 pieces — about 20% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

WI-27565260

5-Piece ENT Foreign Object Removal Ear ENT Currettes Instrument

\$3.00 per piece

Trade price from \$1.50
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

5-Piece ENT Foreign Object Removal Ear ENT Currettes Instrument is an elevators & curette we forge, grind and finish in our own Sialkot workshop. Instruments of this type lift periosteum or soft tissue, and scrape out cavities and sockets.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$3.00, falling to \$1.50 at 1 piece — about 50% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable

6 Blade Laryngoscope Set Stainless Steel Reusable Intubation

\$80.00 per piece

Trade price from \$50.00
Minimum order 10 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture 6 Blade Laryngoscope Set Stainless Steel Reusable Intubation for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type make precise incisions and separate tissue planes. The name tells you what you are getting: full reusability — clean, autoclave and use again.

Supplied as a set — the contents can be adjusted to your list. Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$80.00, falling to \$50.00 at 10 sets — about 38% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable

WI-24309724

6 Frazier Suction Tube Ent Neuro Surgical Instruments Set

\$8.00 per piece

Trade price from \$5.00
Minimum order 10 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture 6 Frazier Suction Tube Ent Neuro Surgical Instruments Set for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type carry irrigation or clear fluid and debris from the operating field. Supplied as a set — the contents can be adjusted to your list.

We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$8.00, falling to \$5.00 at 10 sets — about 38% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

WI-27603223

6-Pcs Dermal Curette Set 1mm-6mm Medical

\$3.00 per piece

Trade price from \$1.50
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture 6-Pcs Dermal Curette Set 1mm-6mm Medical for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type lift periosteum or soft tissue, and scrape out cavities and sockets. Supplied as a set — the contents can be adjusted to your list.

The 1mm size shown is our standard; other sizes in the same pattern are

made to order. Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$3.00, falling to \$1.50 at 1 piece — about 50% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order

WI-45911785

6PCS Frazier Suction Tubes with Ball Tip Neurosurgical

\$18.00 per piece

Trade price from \$10.00
Minimum order 5 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

6PCS Frazier Suction Tubes with Ball Tip Neurosurgical is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type carry irrigation or clear fluid and debris from the operating field.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$18.00, falling to \$10.00 at 5 sets — about 44% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order

- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture 8 1 Personal Care Nail Tools Manicure Set Nail for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type cut tissue, suture or dressing material cleanly along a controlled line. Supplied as a set — the contents can be adjusted to your list.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$6.50, falling to \$3.50 at 10 pieces — about 46% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

A+ Stainless Steel ENT Ear Speculum 2.5mm

\$2.00 per piece

Trade price from **\$1.00**
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture A+ Stainless Steel ENT Ear Speculum 2.5mm for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type hold a wound or cavity open so the operating field stays visible. The 2.5mm size shown is our standard; other sizes in the same pattern are made to order.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$2.00, falling to \$1.00 at 1 piece — about 50% off the single-unit price. Larger quantities are priced on request.

Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Adult Jennings Mouth Access Gag ENT Surgical

\$20.00 per piece

Trade price from \$12.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Adult Jennings Mouth Access Gag ENT Surgical for ear, nose and throat procedures — made from bar stock to finished instrument in house. Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why

we can change a dimension or a finish without a tooling charge.

Listed at \$20.00, falling to \$12.00 at 10 pieces — about 40% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation

Aluminum Plastic Chakra ENT Instrument Medical

\$2.00 per piece

Trade price from \$1.50
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Aluminum Plastic Chakra ENT Instrument Medical is an ent instrument we forge, grind and finish in our own Sialkot workshop. We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what

separates a good instrument from a cheap one.

Listed at \$2.00, falling to \$1.50 at 1 piece — about 25% off the single-unit price. Larger quantities are priced on request.

Samples go out on request so you can check the steel and the finish before you place a real order.

Diagnostic Fiber Optic Laryngoscope Set 4 Blades

\$50.00 per piece

Trade price from \$35.00
Minimum order 10 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Diagnostic Fiber Optic Laryngoscope Set 4 Blades, made for ear, nose and throat procedures. Instruments of this type make precise incisions and separate tissue planes. Supplied as a set — the contents can be adjusted to your list.

Every piece is hand-finished and inspected before it leaves the bench:

joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$50.00, falling to \$35.00 at 10 sets — about 30% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

WI-27411212

Diagnostic Portable Fiber Optical Otoscope Medical

\$3.30 per piece

Trade price from \$3.00
Minimum order 14 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Diagnostic Portable Fiber Optical Otoscope Medical for ear, nose and throat procedures — made from bar stock to finished instrument in house. Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and

surface finish are checked on each unit, not on a sample.

Listed at \$3.30, falling to \$3.00 at 14 pieces — about 9% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Double Ended Ear Curettes

\$4.00 per piece

Trade price from \$2.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Double Ended Ear Curettes, made for ear, nose and throat procedures. Instruments of this type lift periosteum or soft tissue, and scrape out cavities and sockets. The name tells you what you are getting: two working ends on one handle, halving what you carry.

Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$4.00, falling to \$2.00 at 10 pieces — about 50% off the single-unit price. Larger quantities are priced on request.

Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Ear Speculum ENT Surgical Diagnostic
Instrument Set

\$3.00 per piece

Trade price from \$0.50
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Ear Speculum ENT Surgical Diagnostic Instrument Set — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type hold a wound or cavity open so the operating field stays visible. Supplied as a set — the contents can be adjusted to your list.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$3.00, falling to \$0.50 at 10 pieces — about 83% off the single-unit price. Larger quantities are priced on request.

Samples go out on request so you can check the steel and the finish before you place a real order.

Material	Stainless steel — we state the grade on your quotation

Ear Wax Cleaner Kit Stainless Steel Ear Curette

\$4.00 per piece

Trade price from \$0.90
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Ear Wax Cleaner Kit Stainless Steel Ear Curette is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type lift periosteum or soft tissue, and scrape out cavities and sockets. Supplied as a set — the contents can be adjusted to your list.

We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$4.00, falling to \$0.90 at 25 pieces — about 78% off the single-unit price. Larger quantities are priced on request.

Samples go out on request so you can check the steel and the finish before you place a real order.

- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Heymann Nasal Scissors ENT Surgical Instrument for Precise Nasal for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type cut tissue, suture or dressing material cleanly along a controlled line.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$9.00, falling to \$5.00 at 14 pieces — about 44% off the single-unit price.

Larger quantities are priced on request. We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Heymann Nasal Surgery Scissors Fine Surgical Instrument for Controlled

\$8.00 per piece

Trade price from \$4.50
Minimum order 50 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Heymann Nasal Surgery Scissors Fine Surgical Instrument for Controlled for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type cut tissue, suture or dressing material cleanly along a controlled line. The name tells you what you are getting: a fine pattern for delicate tissue.

Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$8.00, falling to \$4.50 at 50 pieces — about 44% off the single-unit price. Larger quantities are priced on request.

Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable

High Carbon TC Tip Tonsil Scissors Surgical Instruments

\$4.00 per piece

Trade price from \$2.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture High Carbon TC Tip Tonsil Scissors Surgical Instruments for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type cut tissue, suture or dressing material cleanly along a controlled line. The name tells you what you are getting: tungsten carbide inserts for a longer cutting life.

Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$4.00, falling to \$2.00 at 10 pieces — about 50% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Kelly Straight Dental Surgical ENT

\$3.00 per piece

Trade price from \$1.90
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Kelly Straight Dental Surgical ENT — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type cut tissue, suture or dressing material cleanly along a controlled line. The name tells you what you are getting: a straight working end for direct, in-line access.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$3.00, falling to \$1.90 at 1 piece — about 37% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Kerrison Bone Punch Stainless Steel ENT

\$17.10 per piece

Trade price from \$13.30
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Kerrison Bone Punch Stainless Steel ENT is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type bite away bone and dense cartilage in controlled pieces.

Every piece is hand-finished and inspected before it leaves the bench:

joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$17.10, falling to \$13.30 at 1 piece — about 22% off the single-unit price.

Larger quantities are priced on request. Samples go out on request so you can check the steel and the finish before you place a real order.

13cm

\$8.00 per piece

Trade price from \$6.00
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Killian Nasal Speculum with Fixation Screw 13cm is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type hold a wound or cavity open so the operating field stays visible. The 13cm size shown is our standard; other sizes in the same pattern are made to order.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$8.00, falling to \$6.00 at 1 piece — about 25% off the single-unit price. Larger quantities are priced on request.

Kramer Eustachian Catheters Otology Surgical Instrument for Ear Procedures

\$3.80 per piece

Trade price from \$2.49
Minimum order 30 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Kramer Eustachian Catheters Otology Surgical Instrument for Ear Procedures — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type carry irrigation or clear fluid and debris from the operating field.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$3.80, falling to \$2.49 at 30 pieces — about 34% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

\$65.00 per piece

Trade price from \$50.00
Minimum order 1 unit

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Laparoscopic Needle Holder Axial Handle Grip Curved Straight, made for ear, nose and throat procedures. Instruments of this type grip a suture needle firmly through the full arc of a stitch. From the pattern: a curved working end for reach around structures, and a straight working end for direct, in-line access.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$65.00, falling to \$50.00 at 1 unit — about 23% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Mini Fiber Optic Otoscope ENT Surgical Examination

\$15.00 per piece

Trade price from **\$10.00**
Minimum order 5 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Mini Fiber Optic Otoscope ENT Surgical Examination, made for ear, nose and throat procedures. Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a

dimension or a finish without a tooling charge.

Listed at \$15.00, falling to \$10.00 at 5 pieces — about 33% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Mini Otoscope ENT Instrument

\$7.00 per piece

Trade price from **\$4.00**
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Mini Otoscope ENT Instrument is an ent instrument we forge, grind and finish in our own Sialkot workshop. The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish.

We state the grade we used on your quotation. Listed at \$7.00, falling to \$4.00 at 10 pieces — about 43% off the single-unit price.

Larger quantities are priced on request. Samples go out on request so you can check the steel and the finish before you place a real order.

Mini Pocket Otoscope Fiber Optic LED

\$7.00 per piece

Trade price from \$4.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

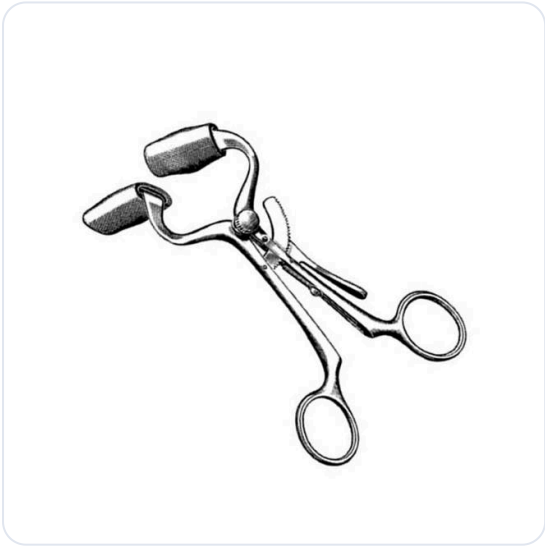

ABOUT THIS INSTRUMENT

Mini Pocket Otoscope Fiber Optic LED is part of our ent instruments range, produced start to finish at our Sialkot facility. We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one.

Listed at \$7.00, falling to \$4.00 at 10 pieces — about 43% off the single-unit price. Larger quantities are priced on request.

Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Mouth Gag ENT Oral Surgery Retractor

\$50.00 per piece

Trade price from \$20.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Mouth Gag ENT Oral Surgery Retractor is a retractor we forge, grind and finish in our own Sialkot workshop. Instruments of this type hold a wound or cavity open so the operating field stays visible.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$50.00, falling to \$20.00 at 10 pieces — about 60% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

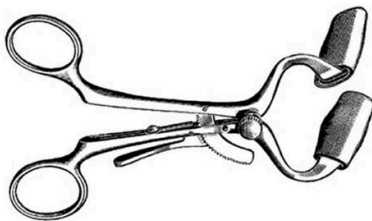

ABOUT THIS INSTRUMENT

Schnidt Tonsil Forceps Curved Hemostatic Surgical Instrument Set — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type occlude a vessel or duct, or hold tissue and drapes securely in place. The name tells you what you are getting: a curved working end for reach around structures.

Supplied as a set — the contents can be adjusted to your list. The steel is

heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$2.50, falling to \$1.50 at 500 pieces — about 40% off the single-unit price. Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

WI-46402403

Schnidt Tonsil Hemostatic Forceps Curved Surgical

\$3.00 per piece

Trade price from \$1.50
Minimum order 20 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Schnidt Tonsil Hemostatic Forceps Curved Surgical is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type occlude a vessel or duct, or hold tissue and drapes securely in place. The name tells you what you are getting: a curved working end for reach around structures.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$3.00, falling to \$1.50 at 20 pieces — about 50% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Schuknecht Self-Retaining Postauricular Retractor Stainless Steel Reusable Autoclavable

\$24.99 per piece

Trade price from **\$19.99**
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Schuknecht Self-Retaining Postauricular Retractor Stainless Steel Reusable Autoclavable, made for ear, nose and throat procedures. Instruments of this type hold a wound or cavity open so the operating field stays visible. From the pattern: a self-retaining mechanism, so it holds position without an assistant, and full reusability — clean, autoclave and use again.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$24.99, falling to \$19.99 at 1 piece — about 20% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Septum Forceps Body Piercing Clamp Stainless Steel Piercing

\$13.00 per piece

Trade price from **\$8.00**
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Septum Forceps Body Piercing Clamp Stainless Steel Piercing, made for ear, nose and throat procedures. Instruments of this type occlude a vessel or duct, or hold tissue and drapes securely in place.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$13.00, falling to \$8.00 at 10 pieces — about 38% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Silver Ear Wax Removal Kit 6-in-1 Ear Pick Tools

\$7.85 per piece

Trade price from \$4.25
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Silver Ear Wax Removal Kit 6-in-1 Ear Pick Tools, made for ear, nose and throat procedures. Instruments of this type lift periosteum or soft tissue, and scrape out cavities and sockets. Supplied as a set — the contents can be adjusted to your list.

The 6" size shown is our standard; other sizes in the same pattern are made to order. We work the instrument

by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$7.85, falling to \$4.25 at 1 piece — about 46% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation

Veterinary Pig Dog Ear Tag Puncher Medical

\$3.75 per piece

Trade price from \$2.50
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Veterinary Pig Dog Ear Tag Puncher Medical is an ent instrument we forge, grind and finish in our own Sialkot workshop. Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a

dimension or a finish without a tooling charge.

Listed at \$3.75, falling to \$2.50 at 1 piece — about 33% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order

Veterinary Stainless Steel Eco-Friendly Windproof Reusable Adjustable Horse

\$8.99 per piece

Trade price from \$5.75
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Veterinary Stainless Steel Eco-Friendly Windproof Reusable Adjustable Horse — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type grip, bend or cut wire, pins and hard material. The name tells you what you are getting: full reusability — clean, autoclave and use again.

Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$8.99, falling to \$5.75 at 25 pieces — about 36% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Veterinary Tattooing Pliers Livestock Ear Marking Tool

\$8.90 per piece

Trade price from \$5.70
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Veterinary Tattooing Pliers Livestock Ear Marking Tool, made for ear, nose and throat procedures. Instruments of this type grip, bend or cut wire, pins and hard material.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$8.90, falling to \$5.70 at 10 pieces — about 36% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
