16 Pcs Septum Body Piercing Forceps

\$100.00 per piece

Trade price from \$80.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

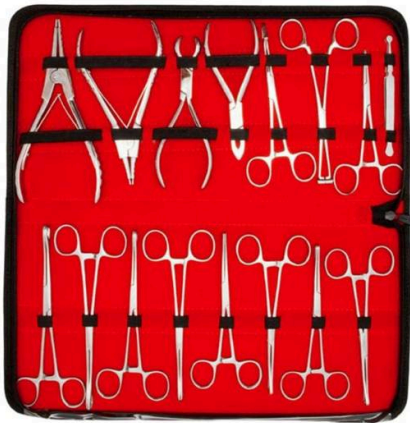

16 Pcs Septum Body Piercing Forceps — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

Every piece is hand-finished and inspected before it leaves the bench:

joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$100.00, falling to \$80.00 at 10 pieces — about 20% off the single-unit price.

Larger quantities are priced on request. Samples go out on request so you can check the steel and the finish before you place a real order.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

WI-44936621

16 Pcs Septum Forceps Body Piercing Set

\$100.00 per piece

Trade price from \$80.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

16 Pcs Septum Forceps Body Piercing Set — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. Supplied as a 16-piece set.

We can add, drop or substitute items so the tray matches your protocol rather than ours. The steel is heat treated and

passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$100.00, falling to \$80.00 at 10 pieces — about 20% off the single-unit price. Larger quantities are priced on request. Samples go out on request so you can check the steel and the finish before you place a real order.

16-Piece Stainless Steel Reusable Septum Piercing Forceps Set-02

\$100.00 per piece

Trade price from **\$80.00**
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

16-Piece Stainless Steel Reusable Septum Piercing Forceps Set-02 — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The name tells you what you are getting: full reusability — clean, autoclave and use again.

Supplied as a set — the contents can be adjusted to your list. The steel is

heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$100.00, falling to \$80.00 at 10 pieces — about 20% off the single-unit price. Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

WI-26495113

19cm Stainless Steel Surgical Rhinology

\$35.00 per piece

Trade price from **\$25.00**
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

19cm Stainless Steel Surgical Rhinology is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The 19cm size shown is our standard; other sizes in the same pattern are made to order.

The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation. Listed at \$35.00, falling to \$25.00 at 10 pieces — about 29% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

2 Pack Alligator Ear Nose Forceps Micro Grasping

\$6.00 per piece

Trade price from \$4.00

Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

2 Pack Alligator Ear Nose Forceps Micro Grasping is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The name tells you what you are getting: a micro-scale working end for fine and delicate work.

The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation. Listed at \$6.00, falling to \$4.00 at 1 piece — about 33% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

ALLIGATOR CUPPED GRASPER Laparoscopic Atraumatic Grasper

\$25.00 per piece

Trade price from \$18.00
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

ALLIGATOR CUPPED GRASPER Laparoscopic Atraumatic Grasper is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$25.00, falling to \$18.00 at 1 piece — about 28% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

WI-28196971

Alligator Grasper Forceps Double Action Jaws 5mm X 45cm

\$65.00 per piece

Trade price from \$50.00
Minimum order 1 unit

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Alligator Grasper Forceps Double Action Jaws 5mm X 45cm, made for ear, nose and throat procedures. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The 5mm size shown is our standard; other sizes in the same pattern are made to order.

The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation. Listed at \$65.00, falling to \$50.00 at 1 unit — about 23% off the single-unit price.

Larger quantities are priced on request. We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Alligator Otolaryngology Forceps Very Fine Serrated 6.0mm

\$10.00 per piece

Trade price from \$8.00
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

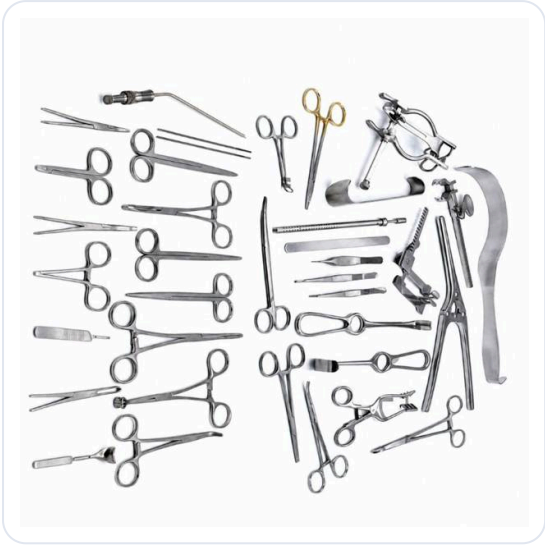

ABOUT THIS INSTRUMENT

Alligator Otolaryngology Forceps Very Fine Serrated 6.0mm is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. From the pattern: serrated jaws for grip that does not slip under tension, and a fine pattern for delicate tissue.

The 6.0mm size shown is our standard; other sizes in the same pattern are made to order. Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$10.00, falling to \$8.00 at 1 set — about 20% off the single-unit price.

Larger quantities are priced on request. We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Bayonet Shaped Ear Dressing Forceps Serrated Tip

\$5.00 per piece

Trade price from **\$3.50**
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Bayonet Shaped Ear Dressing Forceps Serrated Tip, made for ear, nose and throat procedures. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The name tells you what you are getting: serrated jaws for grip that does not slip under tension.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$5.00, falling to \$3.50 at 1 piece — about 30% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

WI-34424160

BELLUCCI Alligator Forceps Delicate 8mm Serrated

\$10.00 per piece

Trade price from \$8.00
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture BELLUCCI Alligator Forceps Delicate 8mm Serrated for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. From the pattern: serrated jaws for grip that does not slip under tension, and a fine pattern for delicate tissue.

The 8mm size shown is our standard; other sizes in the same pattern are made to order. Forging, milling, heat treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$10.00, falling to \$8.00 at 1 set — about 20% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Crocodile Forceps Precision ENT Surgical Tool

\$15.00 per piece

Trade price from **\$12.00**
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Crocodile Forceps Precision ENT Surgical Tool is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The steel is heat treated and passivated for corrosion resistance, then each

instrument is checked by hand for jaw meet, smooth action and finish.

We state the grade we used on your quotation. Listed at \$15.00, falling to \$12.00 at 10 pieces — about 20% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

WI-35535728

Crocodile Forceps Stainless Steel ENT Surgical Instrument Medical

\$15.00 per piece

Trade price from \$12.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Crocodile Forceps Stainless Steel ENT Surgical Instrument Medical — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$15.00, falling to \$12.00 at 10 pieces — about 20% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Crocodile Hartman Instrument Set Micro

\$19.00 per piece

Trade price from \$15.00
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Crocodile Hartman Instrument Set Micro for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The name tells you what you are getting: a micro-scale working end for fine and delicate work.

Supplied as a set — the contents can be adjusted to your list. The steel is

heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$19.00, falling to \$15.00 at 1 set — about 21% off the single-unit price. Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Delicate 5.25 Inch Stainless Steel ENT Surgical Forceps Unique

\$10.00 per piece

Trade price from \$8.00
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Delicate 5.25 Inch Stainless Steel ENT Surgical Forceps Unique is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The name tells you what you are getting: a fine pattern for delicate tissue.

The 5.25" size shown is our standard; other sizes in the same pattern are

made to order. We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$10.00, falling to \$8.00 at 1 set — about 20% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Nasal Punch Cutting Forceps Stainless Steel Sinus

\$24.99 per piece Trade price from \$19.99 Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Nasal Punch Cutting Forceps Stainless Steel Sinus — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

Every piece is hand-finished and inspected before it leaves the bench:

joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$24.99, falling to \$19.99 at 25 pieces — about 20% off the single-unit price.

Larger quantities are priced on request. We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Nasal Punch Cutting Forceps Surgical

\$24.99 per piece Trade price from \$19.99 Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Nasal Punch Cutting Forceps Surgical, made for ear, nose and throat procedures. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$24.99, falling to \$19.99 at 25 pieces — about 20% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Noyes Alligator Forceps ENT Surgical Instrument for Precise Tissue

\$11.90 per piece

Trade price from \$7.90
Minimum order 14 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Noyes Alligator Forceps ENT Surgical Instrument for Precise Tissue is part of our ent instruments range, produced start to finish at our Sialkot facility. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$11.90, falling to \$7.90 at 14 pieces — about 34% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Noyes Alligator Forceps Precision ENT Surgical Tool

\$11.00 per piece

Trade price from \$8.00
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Noyes Alligator Forceps Precision ENT Surgical Tool is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The steel is heat treated and passivated for corrosion resistance, then each

instrument is checked by hand for jaw meet, smooth action and finish.

We state the grade we used on your quotation. Listed at \$11.00, falling to \$8.00 at 25 pieces — about 27% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. The steel is heat treated and passivated for corrosion resistance, then each

instrument is checked by hand for jaw meet, smooth action and finish.

We state the grade we used on your quotation. Listed at \$14.90, falling to \$8.90 at 12 pieces — about 40% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Tilley Dressing Forceps Surgical Instrument for Nasal Dressing Removal

\$14.80 per piece

Trade price from **\$8.80**
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

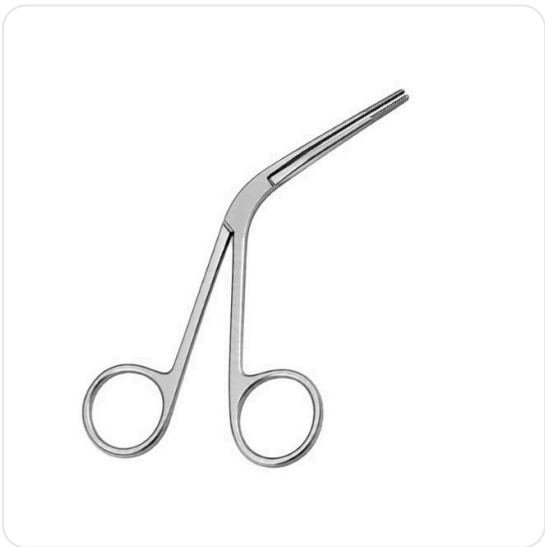

Tilley Dressing Forceps Surgical Instrument for Nasal Dressing Removal is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$14.80, falling to \$8.80 at 25 pieces — about 41% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable

Wilde Dressing Forceps ENT Dressing Instrument for Controlled Nasal

\$6.50 per piece

Trade price from **\$2.50**
Minimum order 50 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Wilde Dressing Forceps ENT Dressing Instrument for Controlled Nasal is a forcep we forge, grind and finish in our own Sialkot workshop. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

Every piece is hand-finished and inspected before it leaves the bench:

joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$6.50, falling to \$2.50 at 50 pieces — about 62% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Wilde Dressing Forceps ENT Surgical Instrument Set

\$7.00 per piece

Trade price from **\$3.00**
Minimum order 12 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Wilde Dressing Forceps ENT Surgical Instrument Set, made for ear, nose and throat procedures. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. Supplied as a set — the contents can be adjusted to your list.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$7.00, falling to \$3.00 at 12 pieces — about 57% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Wilde Dressing Forceps Surgical Instrument
for Nasal Dressing Placement

\$6.90 per piece

Trade price from \$2.90
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Wilde Dressing Forceps Surgical Instrument for Nasal Dressing Placement for ear, nose and throat procedures — made from bar stock to finished instrument in house. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them.

We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$6.90, falling to \$2.90 at 25 pieces — about 58% off the single-unit price.

Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
