12 Piece Neuro Surgical Instrument Kit Cranial Surgery Instruments

\$200.00 per piece
Trade price from **\$90.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

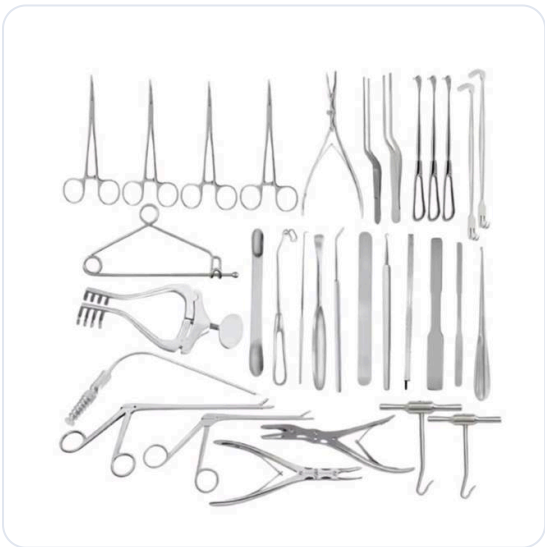

ABOUT THIS INSTRUMENT

12 Piece Neuro Surgical Instrument Kit Cranial Surgery Instruments is part of our neuro surgical range, produced start to finish at our Sialkot facility. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a set — the contents can be adjusted to your list.

The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation. Listed at \$200.00, falling to \$90.00 at 1 set — about 55% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Neurosurgical Instrument Set for Brain**

\$200.00 per piece

Trade price from **\$90.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture 12-Piece Reusable Stainless Steel Neurosurgical Instrument Set for Brain for neurosurgical and spinal procedures — made from bar stock to finished instrument in house. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. The name tells you what you are getting: full reusability — clean, autoclave and use again.

Supplied as a set — the contents can be adjusted to your list. Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$200.00, falling to \$90.00 at 1 set — about 55% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

**14PCS Orthopedic Laminectomy Surgical
Instrument Set Spine**

\$300.00 per piece

Trade price from **\$250.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

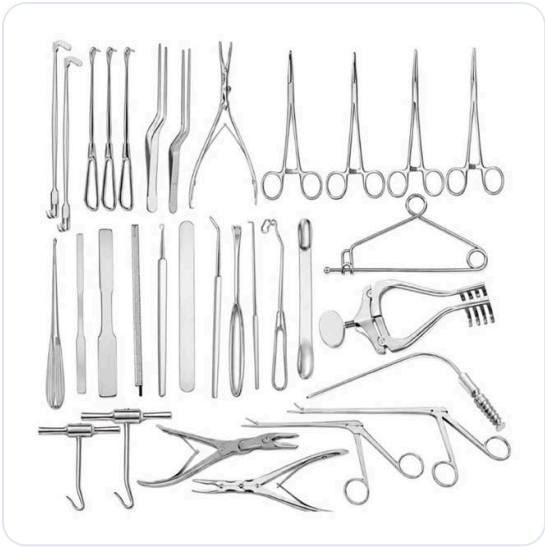

14PCS Orthopedic Laminectomy Surgical Instrument Set Spine is part of our neuro surgical range, produced start to finish at our Sialkot facility. Instruments of this type grip, bend or cut wire, pins and hard material. Supplied as a 14-piece set.

We can add, drop or substitute items so the tray matches your protocol rather than ours. The steel is heat treated and

passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$300.00, falling to \$250.00 at 1 set — about 17% off the single-unit price. Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

32 PCS Cranial Surgery Instrument Set

\$250.00 per piece

Trade price from **\$150.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

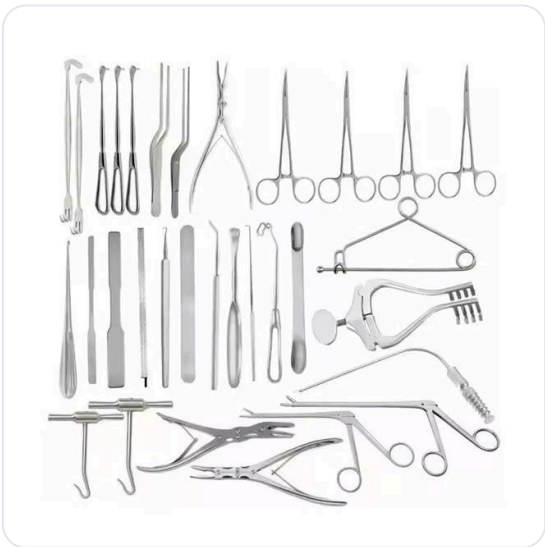

32 PCS Cranial Surgery Instrument Set — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a 32-piece set.

We can add, drop or substitute items so the tray matches your protocol rather

than ours. Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$250.00, falling to \$150.00 at 1 set — about 40% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable

32pcs Basic Cranial Surgery Set Steel Instruments

\$250.00 per piece

Trade price from **\$150.00**
Minimum order 1 piece

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

32pcs Basic Cranial Surgery Set Steel Instruments — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a 32-piece set.

We can add, drop or substitute items so the tray matches your protocol rather than ours. Forging, milling, heat

treatment, hand finishing and passivation all happen under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$250.00, falling to \$150.00 at 1 piece — about 40% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

7 PCS Stainless Steel Surgical Hollowware Instruments Set

\$15.00 per piece

Trade price from \$12.00
Minimum order 25 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture 7 PCS Stainless Steel Surgical Hollowware Instruments Set for neurosurgical and spinal procedures — made from bar stock to finished instrument in house. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a 7-piece set.

We can add, drop or substitute items so the tray matches your protocol rather

than ours. The steel is heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$15.00, falling to \$12.00 at 25 pieces — about 20% off the single-unit price. Larger quantities are priced on request. Samples go out on request so you can check the steel and the finish before you place a real order.

Material	Stainless steel — we state the grade on your quotation

WI-21292762

98 PCS Craniotomy Instrument Set Stainless Steel

\$600.00 per piece

Trade price from \$350.00
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of 98 PCS Craniotomy Instrument Set Stainless Steel, made for neurosurgical and spinal procedures. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. Supplied as a 98-piece set.

We can add, drop or substitute items so the tray matches your protocol rather

than ours. We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$600.00, falling to \$350.00 at 1 set — about 42% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Bone Reactor Spreader Stainless Steel for Precision Neurosurgery

\$2.55 per piece

Trade price from \$2.22
Minimum order 25 units

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Bone Reactor Spreader Stainless Steel for Precision Neurosurgery is part of our neuro surgical range, produced start to finish at our Sialkot facility. Instruments of this type hold a wound or cavity open so the operating field stays visible.

We work the instrument by hand at the finishing stage — box locks, hinges and

tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$2.55, falling to \$2.22 at 25 units — about 13% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Brain Knife Stainless Steel Neurosurgery Dissection Surgical Instrument

\$28.00 per piece

Trade price from \$18.00
Minimum order 20 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

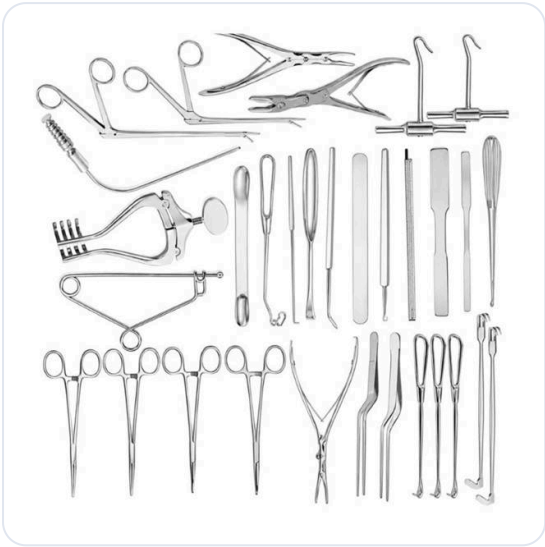

ABOUT THIS INSTRUMENT

This is our pattern of Brain Knife Stainless Steel Neurosurgery Dissection Surgical Instrument, made for neurosurgical and spinal procedures. Instruments of this type make precise incisions and separate tissue planes.

Every piece is hand-finished and inspected before it leaves the bench:

joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$28.00, falling to \$18.00 at 20 pieces — about 36% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

WI-45993260

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Complete Neurosurgery Instrument Set Brain Cranial Microsurgery Instruments for neurosurgical and spinal procedures — made from bar stock to finished instrument in house. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a set — the contents can be adjusted to your list.

We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$700.00, falling to \$370.00 at 1 set — about 47% off the single-unit price. Larger quantities are priced on request.

Order it on its own or as part of a mixed shipment; we do not insist on a full container.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Craniotomy Instrument Set 32 PCS

\$250.00 per piece

Trade price from **\$150.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Craniotomy Instrument Set 32 PCS is an instrument set we forge, grind and finish in our own Sialkot workshop. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a 32-piece set.

We can add, drop or substitute items so the tray matches your protocol rather

than ours. Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$250.00, falling to \$150.00 at 1 set — about 40% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item
Lead time	Typically 15–30 days depending on quantity and marking

Frazier Suction Tubes Ball Tip Set 6-Piece Neurosurgery Surgical

\$18.00 per piece

Trade price from **\$10.00**
Minimum order 10 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

This is our pattern of Frazier Suction Tubes Ball Tip Set 6-Piece Neurosurgery Surgical, made for neurosurgical and spinal procedures. Instruments of this type carry irrigation or clear fluid and debris from the operating field. Supplied as a set — the contents can be adjusted to your list.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$18.00, falling to \$10.00 at 10 sets — about 44% off the single-unit price. Larger quantities are priced on request.

We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Material	Stainless steel — we state the grade on your quotation
Reusable	Yes, autoclavable
Finish	Satin, mirror or black — your choice at order
Marking	Your logo or part number can be applied — ask us what is possible for this item

Trade price from **\$1,000.00**
Minimum order 25 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Halo Mayfield Skull Clamp Head Circle Retractor Neuros Retaining is part of our neuro surgical range, produced start to finish at our Sialkot facility. Instruments of this type hold a wound or cavity open so the operating field stays visible.

Each unit is inspected by hand for alignment and action before packing,

and we can photograph your actual pieces before they ship. Listed at \$1400.00, falling to \$1000.00 at 25 sets — about 29% off the single-unit price.

Minimum order 25 sets, and the price moves with quantity. We ship door to door worldwide, and can quote DDP if you would rather not handle the import yourself.

Jacobson TC Microvascular Needle Driver Fine Tip Surgical Instrument

\$9.00 per piece

Trade price from \$7.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Jacobson TC Microvascular Needle Driver Fine Tip Surgical Instrument is a needle holder we forge, grind and finish in our own Sialkot workshop. Instruments of this type grip a suture needle firmly through the full arc of a stitch. From the pattern: tungsten carbide inserts for a longer cutting life, and a fine pattern for delicate tissue.

Every piece is hand-finished and inspected before it leaves the bench: joint action, tip alignment and surface finish are checked on each unit, not on a sample. Listed at \$9.00, falling to \$7.00 at 10 pieces — about 22% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Neurosurgery Instrument Set Cranial Brain
Surgery Surgical Kit

\$700.00 per piece

Trade price from \$370.00
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Neurosurgery Instrument Set Cranial Brain Surgery Surgical Kit for neurosurgical and spinal procedures — made from bar stock to finished instrument in house. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a set — the contents can be adjusted to your list.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$700.00, falling to \$370.00 at 1 set — about 47% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

**Neurosurgery Instrument Set-05 Reusable
Stainless Steel Medical**

\$700.00 per piece

Trade price from **\$370.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Neurosurgery Instrument Set-05 Reusable Stainless Steel Medical is an instrument set we forge, grind and finish in our own Sialkot workshop. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. The name tells you what you are getting: full reusability — clean, autoclave and use again.

Supplied as a set — the contents can be adjusted to your list. The steel is

heat treated and passivated for corrosion resistance, then each instrument is checked by hand for jaw meet, smooth action and finish. We state the grade we used on your quotation.

Listed at \$700.00, falling to \$370.00 at 1 set — about 47% off the single-unit price. Larger quantities are priced on request. Order it on its own or as part of a mixed shipment; we do not insist on a full container.

**NeuroSurgery Instruments Set 151PCS German
Stainless Steel Surgical Instruments**

\$390.00 per piece

Trade price from **\$250.00**
Minimum order 1 set

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

NeuroSurgery Instruments Set 151PCS German Stainless Steel Surgical Instruments — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type cover a complete procedure in one tray, so nothing is missing at the table. Supplied as a 151-piece set.

We can add, drop or substitute items so the tray matches your protocol rather

than ours. We work the instrument by hand at the finishing stage — box locks, hinges and tips are set individually, which is what separates a good instrument from a cheap one. Listed at \$390.00, falling to \$250.00 at 1 set — about 36% off the single-unit price.

Larger quantities are priced on request. Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Neurosurgery Poole Suction Tube Straight Curved

\$5.00 per piece

Trade price from \$3.00
Minimum order 10 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

We manufacture Neurosurgery Poole Suction Tube Straight Curved for neurosurgical and spinal procedures — made from bar stock to finished instrument in house. Instruments of this type grasp, hold and transfer tissue, dressings or small components without crushing them. From the pattern: a curved working end for reach around structures, and a straight working end for direct, in-line access.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$5.00, falling to \$3.00 at 10 pieces — about 40% off the single-unit price. Larger quantities are priced on request.

Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.

Neurosurgery Surgical Instrument Set Mayfield Three Pin Brain Retractor

\$1,400.00 per piece

Trade price from \$1,100.00
Minimum order 10 sets

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Neurosurgery Surgical Instrument Set Mayfield Three Pin Brain Retractor is a retractor we forge, grind and finish in our own Sialkot workshop. Instruments of this type hold a wound or cavity open so the operating field stays visible. Supplied as a set — the contents can be adjusted to your list.

Each unit is inspected by hand for alignment and action before packing, and we can photograph your actual pieces before they ship. Listed at \$1400.00, falling to \$1100.00 at 10 sets — about 21% off the single-unit price. Larger quantities are priced on request.

Small trial orders are welcome — most buyers start with a sample or a single carton before committing.

Neurosurgical Brain Knife Precision Stainless Steel Surgical Dissection

\$28.00 per piece

Trade price from \$18.00
Minimum order 20 pieces

- ✓ Surgical-grade stainless steel
- ✓ Reusable, autoclavable
- ✓ OEM / private-label marking

ABOUT THIS INSTRUMENT

Neurosurgical Brain Knife Precision Stainless Steel Surgical Dissection — one of 4,770 instruments we manufacture ourselves rather than buy in. Instruments of this type make precise incisions and separate tissue planes.

Forging, milling, heat treatment, hand finishing and passivation all happen

under one roof, which is why we can change a dimension or a finish without a tooling charge. Listed at \$28.00, falling to \$18.00 at 20 pieces — about 36% off the single-unit price.

Larger quantities are priced on request. Tell us the quantity you actually need and we will price it, including quantities below the listed minimum.
